What We've Done & What We're Working On

Featured Project: West Hawai'i Complex Area Leadership Series

Hōkūpaʻa was honored to support CAS Snelling's West Hawai'i Complex Area leadership series, including an administrators' retreat.

We're excited to see our local school leaders enact the visions they created this summer!

Featured Partner Project: Puakalehua Early Learning Conference

We are pleased to announce the Puakalehua Early Learning Consortium's Second Annual Early Learning Conference!

Investing in early educators helps to set up keiki for lifelong success. Please save the date and share the flyer! Early educators can earn DHS credits by attending.
