

Updates from Hōkūpaʻa

This month, we highlight college-related opportunities as one potential pathway for post-secondary success. The FAFSA application is open and it is a great time to learn about college options!

Your Voice

“Teach kids how to believe in themselves, and that they can be better and do better. We spend a lot of time in school telling kids what they should do and how they did something the wrong way, but we don’t teach them to believe in themselves and build their own resilience.”

-- Hōkūpa‘a Navigation Council
