# Vocational Training Options for West Hawai'i

This is not a one-size-fits-all society, and there isn't one answer for all graduates. A four-year university may be the best path for some. For others, perhaps not.

Check out these West Hawai'i vocational training options for students who choose not to take the college path.

Visit [hokupaa.org/resources](http://hokupaa.org/resources) for more info and resources.

# OPTIONS FOR YOUR FUTURE

Mahalo to these organizations for sharing their flyers and contact information. Knowing your options will hopefully help you or your student consider what to do after high school graduation.

## BIG ISLAND BEAUTY ACADEMY

[bigislandbeautyacademy.com](http://bigislandbeautyacademy.com)  
(808) 329-6447
